CROSSROADS CHRISTIAN COUNSELING

ADDENDUM #2 – Architectural

DATE: 8-11-25

JOBSITE: 717 North Avenue, Macon GA 31211

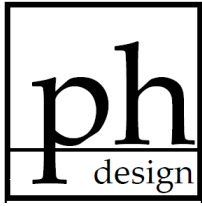

To Whom it May Concern,

Please see below items that have been addressed per addendum #1 dated 8/11/25. The following changes were the result of improper dimensions taken of the existing structure. These dimensions were not discovered by the design team until after the drawings were submitted for permit. These inconsistencies have been addressed on the architectural drawings. The sheets and the items revised which are clouded on the drawings are listed in order below. The rooms and the program have not changed but have only become smaller in some instances. Please send any questions you may have to the design team, and we will promptly answer them.

Thank you for your time,

Brannen Park, NCARB
